Dear Sir or Madam:

071-OYB-2-007208: City of Kirkland
071-OYB-2-007261: Duwamish Shipyard, Inc.

Metro staff has reviewed these proposals and anticipates no adverse impacts to its wastewater treatment facilities.

We foresee no negative impacts to water quality provided that the proponents exercise controls on sediment dispersion from the site. For discussion regarding such controls, please contact Mr. Rob Morrice of Metro's Water Quality Division at 447-6567.

Thank you for the opportunity to review and comment.

Very truly yours,

Rodney G. Proctor, Manager
Environmental Planning Division
